**LinkedIn:**

<https://www.linkedin.com/in/morgangibrila-a7a8b7218/>

I am enthusiastic, passionate, and reliable university student who is currently looking for a graduation project. I am very openminded outgoing person, eager to acquire new skills and could be a great addition to a team, where I would have the opportunity to contribute and help the team to reach wider organizational goals. By being results driven person, I am willing to take ownership, make necessary decisions if required and prioritize to get things done on time.

## Education

---

Sep 2021 – June 2024	<b>Bachelor's Degree UX/UI Design</b> The Hague University of Applied Sciences
Sep 2022 – Jan 2023	<b>Minor, Game Development</b> The Hague University of Applied Sciences
Sep 2019 – May 2021	<b>International Baccalaureate Diploma</b> St Edward's College Malta

## Work Experience

---

**Co-worker In-Store Logistics Part-Time** (currently) – As a logistics employee I am responsible of picking, preparing, and checking customer orders for home delivery and customer pick up.

**Assistant operation coordinator** – As a summer job I worked in a short-let company as Assistant Operation Coordinator. I help with the check-outs, making sure the files were in order, and some check-in.
